

Hi Fellow Members of Congregation

Thank you for all that you do – you are appreciated

Can we please ask if you'd be willing to help us in a challenge for the month of April? Its quite a simple one and one I would encourage us to do at this time

We are asking if we can each pray for 10 minutes a day for a specific thing for the 28 days of March – to make simple each 10 minutes is split into 2 topics for 5 minutes each and for each one pray for :-

- Give thanks
- Pray for Vision
- Pray for Protection

These are split into weekly blocks covering :-

- Friends, family and neighbours
- Those who attended church in past who not currently attending
- People who attend our Princess Street and Moor Street venues
- Church Session Members, the new pastor and his wife and yourself

This is part two of two months of “10 minutes of prayer a day”.

Each week consists of 6 days – the other day being either a Saturday, or Sunday (your choice) and on that day pray either for the coming Sunday services, or the service that just happened and the members of the congregation who attend / will watch on-line

Thank you UNITED IN PRAYER Vision Protection

So for Apr 1- 7 – please prayer for :-

12 people who are friends, family, or neighbours, who do not currently attend church.

Then in the 2 five minute slots for each of 6 days pray for each one of those individuals – give thanks for them, pray for vision for them and finally pray protection over them

Remember that makes 6 days and so the other day will be for the services on either the Saturday or the Sunday.

For Apr 8 - 14 – please pray for :-

12 people who come to mind who have attended either our Princess Street, or Moor Street, venues in the past but are currently not able to attend. If you are struggling to name or visualise 12 people then pick a few people you know who used to attend a church – which is not necessarily one of our venues – to make up the numbers.

Please pick 2 people per day and pray for 5 minutes for each person. Give thanks for them, pray for vision for them, pray for protection over. May God truly bless them as we approach this Easter period.

Remember that makes 6 days and so the other day will be for the services on either the Saturday or the Sunday.

For Apr 15 - 21 – please pray for :-

12 people who come to mind who attend either our Princess Street, or Moor Street, venues. If you are struggling to name or visualise 12 people then pick a few people you know who attend a church – which is not necessarily one of our venues – to make up the numbers.

Please pick 2 people per day and pray for 5 minutes for each person. Give thanks for them, pray for vision for them, pray for protection over. May they be blessed and touched afresh by our risen and living Saviour over this festive period.

Remember that makes 6 days and so the other day will be for the services on either the Saturday or the Sunday.

For Apr 22-28 – please pray for :-

Gerry Holmes	Richard Farmer	Alaji Gashau	Alison Dolman
Michelle Hurst	Matt Rimmer	Mat Whyman	Mick Bayliss
Jonathan Davies	Chris Drury	Lynette Drury	Yourself

This is a list of 12 names - pick 2 people per day (& that includes YOURSELF – it is really important to include yourself in the 12). Chris & Lynette are the new pastor and his wife who celebrate their welcome service with us on 30th April.

Then in the 2 five minute slots – please give thanks for them, pray for vision for them and finally pray protection over them

Remember that makes 6 days and so the other day will be for the services on either the Saturday or the Sunday.

We believe that March and April are key months for us as a congregation in the lead up to our new pastor Chris Drury and his wife Lynette officially joining us from 1st May. There will be a welcome service for them on 30th April. Prayer is key in our walk with the Lord and we would encourage you to join us for this 10 mins a day of prayer for the months of March and April.

Be Blessed – especially as we reflect on our Lord and Saviour, Jesus Christ, over this period when people celebrate Easter. May He refresh and touch you anew.

Thank you Vision Protection
