**TAKE

Thank you

Vision

Protection

For the “Take 10” project, we are asking if we can each pray for 10 minutes a day for a specific thing for 28 days in May – to make simple each 10 minutes is split into 2 topics for 5 minutes each and for each one pray for :-

- Give thanks
- Pray for Vision
- Pray for Protection

Each week consists of 6 days – the other day being either a Saturday, or Sunday (your choice) and on that day please pray either for the coming Sunday services, or the service that just happened and the members of the congregation who attend / will watch on-line

For May 1-7 – please pray for the following areas of ministry :-

- Women
- Men
- Family (including HUB)
- Youth
- Children’s (including Assembly / Schools)
- Worship Team (including Sound / Visuals)
- Preachers / Conveners
- Prayer
- Pastoral (including Welcoming)
- Outreach & Nurturing (including Wednesday night & small groups)
- Finance / Admin / Church Website
- Maintenance / Grounds

If you want to know a little bit more about these areas of ministry and what they encompass then please visit our church website or pick up a separate leaflet about them.

Please pick 2 areas per day from the 12 listed and pray for 5 minutes in each area – gives thanks for those who minister in that area, pray for vision for that area and finally pray protection over that area

For May 8- 14 – please prayer for the Pastor and his wife, the elders and yourself:-

Chris Drury

Lynette Drury

Gerry Holmes

Richard Farmer

Alaji Gashau

Yourself

This is a list of 6 names - pick 2 people per day (& that includes YOURSELF – it is really important to include yourself in the 6). We need to cover those with spiritual oversight in the congregation to be covered in prayer – especially as Chris joins us with Lynette. Also you are key to our congregation – you may not feel like it at times but God has mighty things in store for you – whatever your age or apparent ability in the world's eyes. This is so important that in this week I am asking that you pray for each person twice in the week to make up the 12 slots.

Then in the 2 five minute slots – please give thanks for them, pray for vision for them and finally pray protection over them

For May 15-21 – please pray for the worship team, preachers and conveners :-

- Nina (Moor Street worship leader)
- Liz (Princess Street worship leader)
- Ben (Moor Street worship leader)
- Worship Team on Platform
- Conveners
- Preachers
- Welcome Team
- Sound and Visuals Team
- Audio Recorded services @ Princess Street
- Live Video streaming @ Moor Street
- Congregation @ Princess Street (God ministers through the congregation)
- Congregation @ Moor Street (God ministers through the congregation)

This is the first of the weeks where pray in more detail for specific ministry teams.

Again please pick 2 subjects per day from the 12 listed and pray for 5 minutes in each area – gives thanks, pray for vision and finally pray protection

For May 22-28 – please pray for your neighbours and community:-

Please pick 12 people and from those pick 2 people per day and pray for 5 minutes for each person. Give thanks for them, pray for vision for them, pray for protection over. You may want to include in this teachers at a local school, or leaders of activities in your community.

Remember that makes 6 days and so the other day will be for the services on either the Saturday or the Sunday.

Thank you Vision Protection
