

**PRAY FOR
10 MINUTES
A DAY**

Thank you

Vision

Protection

For the “Take 10” project, we are asking if we can each pray for 10 minutes a day for a specific thing for 28 days in July – to make simple each 10 minutes is split into 2 topics for 5 minutes each and for each one pray for :-

- Give thanks
- Pray for Vision
- Pray for Protection

Each week consists of 6 days – the other day being either a Saturday, or Sunday (your choice) and on that day please pray either for the coming Sunday services, or the service that just happened and the members of the congregation who attend / will watch on-line

For Jul 1-7 – please pray for people with the pastoral and welcoming ministry :-

We are thankful for the people who welcome us into meetings – be them midweek, or Sunday meetings – they have a key calling in their ministry. We are also thankful for those who “pastor the flock” – those who have a specific calling to draw alongside people and be available for them in areas big and small. This week also includes you adding yourself to this list of people – for we all have a key role in sharing with each other with a caring and welcoming heart. You’d be surprised how much others appreciate you in how you carry out this role – even if you knock yourself and think that you don’t!!

Please pick 11 people (plus yourself!) and pray for 2 people per day for 5 minutes each – gives thanks, pray for vision and finally pray protection

For Jul 8- 14 – please pray for the hidden ministries which people undertake :-

Please include into this –

- Refreshment Teams
- Cleaners
- Maintenance Team
- Grounds Teams
- Finance and Admin team
- Set up Teams

These ministries often go unnoticed until they are not undertaken and are key callings by God – for without them we could not function.

For these 6 areas, pick 2 per day and pray for 5 minutes for each area. Then in the second half of the week go through them again. Having the 2 opportunities in the week to pray for each area gives us extra time to truly give thanks for those undertaking them, pray for vision for them, pray for protection over them.

For Jul 15-21 – please pray for the parents / grandparents :-

School holidays are close at hand a time for parents and grandparents to draw alongside their children / grandchildren. Christian parents and grandparents have a key role in the walk of faith of the young ones.

Please pick 12 parents / grandparents (or aunts / uncles) and from those pick 2 people per day and pray for 5 minutes for each area. Give thanks for them, pray for vision for them, pray for protection over them.

For Jul 22-28 – please pray for new believers and those who inspire you in faith :-

We thank God for those who are new believers, or people who are searching for faith. We are also thankful for those who inspire us in our walk with the Lord.

Please pick 6 people who are new believers, or people who we believe are searching for answers and have an enquiring mind towards faith. Choose one of these per day. Also, pick 6 people who inspire us in our walk with the Lord. Again choose one of these per day. So pray for one new believer / enquirer and one inspirer per day and pray for 5 minutes for each person. Give thanks for them, pray for vision for them, pray for protection over them.

Thank you Vision Protection
