Find the hidden words listed below and then place all the unused letters into the grid below to reveal seven characteristics of God from the bible and illustrated in this Psalm. To make life easier the letters in the words appear in the same order that they are found in the wordsearch (you don't have to unscramble them ☺). Note that words that form part of another word are 2 separate words. For example “Lord” and “LordForever” are 2 separate words (so are “Leads” and “Leadme”).
